After all, I am Jirou's butler.
You've been looking after me all this time, right? Sorry about that.
And about before I'm sorry that I slept next to you without asking
Wait just a moment
Oh...
As a matter of fact, I made some rice porridge for you Would you like some?

Do you feel better?
Oh, thank you very much; I feel much better
Speaking of which, who won in the end?
Oh
Jirou-kun is awake
shake head
No winner was announced
Since you passed out, I guess we'll have to postpone the competition.
Well then, see you later, Jirou.
Don't die.
Especially since the situation is deteriorating
Oh?
unplug

Uwa-aaah-hhh!
Eh..? Suzutsuki, what do you mean by that...?
Jirou!
Sorry for the wait.
Come to think of it, this girl probably can't cook !
What's the matter?
Wha-!?
Open wide.
Itadakimasu
tremble tremble
but I really can't refuse
someone like Konoe who couldn't hold a knife yet went out of her way to make rice porridge for me.
N-no...
ゴクリ
gulp

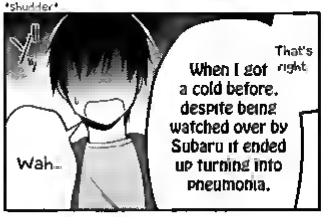
Cough, cough! Please, water, give me some water...
If you can eat it all, I'll bring you some.
smile
It's not bad... just a little spicy...!!
How was it?
pant *pant*
Nghu!?
Is that right? Good! There's plenty more!
slurp *burn*
ooze
Look, there is... plenty more.
Uwah- haaa!
tremble tremble
I'll wait until you fall asleep before I leave. I have a sleep aid that was passed down to me.
Something like that really exists?
After you finish eating, you should get some sleep
I feel like sleeping..
I'm finished...

Hmm? What's the matter?
I'll die if you use that! I'll definitely die!
Draws
Good luck stuggun!!!
By using this, you should immediately lose consciousness.
buzz
Jirou, you're sweating.
Let me wipe you off, ok?
...Not good. I have a bad feeling...
No, I'm fine.

Then, Konoe-san
Don't move. If you try to move, you'll only hinder the recovery from your cold
Don't be so shy, this is a butler's job
No! Wait! I'll take off my own underwear!
Okay, take everything off.
toss toss
If this keeps up, I will be killed by the butler!
...I'll be killed!
Don't die
I finally understand what Suzutsuki meant

giggle
You don't need to rest?
If I stayed in the house, it'd be too dangerous for me!
Subaru I'll go get some groceries for later
Hmm okay
open
close

Eh? This is strange..
It's as though I actually have a serious illness

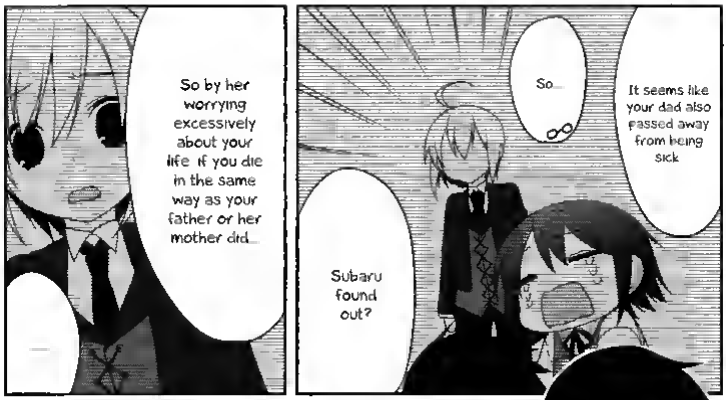


shudder
Wah...
That's right
When I got a cold before, despite being watched over by Subaru it ended up turning into pneumonia.

That girl... she overdoes things and ends up making things even worse

Since things have become like this, you'll have to take partial responsibility
Subaru wants to take care of sick people mostly due to the fact that her mother passed away from an illness
What do you mean?
So if she sees someone who's bedridden like her mother, she can't control herself
But this has nothing to do with me, right?
Jirou-kun, you lied to Subaru about your dad being out on business right?
Oh, I just didn't want her to worry...
No wonder...
After you passed out, Kureha became really emotional.
...Kureha?

It's true that Kureha and I rarely get sick.
This is a rare occurrence.
...!
Sob
What should I do? Nii-san is also going to die from being sick!



So by her worrying excessively about your life if you die in the same way as your father or her mother did...
So...
It seems like your dad also passed away from being sick
Subaru found out?

That's why she was looking after me so enthusiastically
So that's it

Give and take.
If you want me to help you, you have to assist me with something
shiver shiver
So do your best
While Subaru is taking care of you, I'll hang out with Kureha
Hey, you have to help me here! If this keeps up, I might really die!!
Assist?
Ah, the reason Ojou-sama is here is...
To help bring Subaru back home...
Right, do you know the reason why I'm here?
Correct.

She will no longer be your butler
And if she's back at home she will no longer come here to look after you
Why did Subaru used to look after you?
About that... she said that it was a butler's job
Then if we can get Konoe to return
Do you understand what I'm saying...
Master?
O... you really are the best and most reliable maid.
Suzutsuki Kanade.

Hey, where are we going?
We're going to the place that led to Subaru going to your house.
remembering the nightmare
But what do I need to do to get her to go back?
Don't tell me we have to do the butler vs maid thing again...
No
anyway just follow me
running water
That place is the reason.

Spring onions are good for you
lift
rattle rattle

The river...?
Hey, wait for me, Suzutsuki.
Right over here Jirou-kun
What does Konoe running away have to do with this place?
Even though I told Subaru I wouldn't tell you...
the reason is..
a family conflict.
Family conflict?
It's hell— the house is about to fall apart...
Family conflict caused that!?

*sigh
The reason for the conflict, Jirou-kun
is because of you.
...Oh?
But if that's the reason I really can't do anything about it..
*scratch scratch
Now then, let's go take a look.
Let's go see Subaru's father, Konoe Nagare.

Ch 08 Baby please go home

...Kanade Ojou-sama, and...?
I was wondering, isn't this that damn punk from last time?
Eh?
Do you remember the incident at the amusement park last month?
Nagare was the one that beat you to a pulp
Of course I remember. So he was the one who pretended to be a kidnapper and fought me.
At times I want to experience what it is like living as a commoner.
Liar!!
turn away
Oh, right. Jirou-kun you haven't met Nagare before
He's Konoe's father!?
What is he doing here?

Wait, don't tell me... is that the reason for the family conflict?
Correct. After that, Nagare and Subaru entered into a cold war.
What's happening now during golden week is the result of their cold war.
After that happened, no matter what I said, Subaru just continued to ignore me. How could such a good kid turn out like this?
damn it...
slump
You need to drop the tough act and talk to Subaru properly.
But, but...
Then my father decided to kick them both out until they made up.
Equal punishment for both offenders.

It is indeed my desire to make up with her, but why does this stupid brat...
Don't worry, that's precisely why I brought Jirou-kun here
...It can't be helped Although I have no intention of forgiving you,
In order to have Konoe move out of my house
If your victim, Jirou-kun, could forgive you, the perpetrator, then I believe Subaru would stop being angry at you
Hold on...
What do you mean by "move out of my house"?
Crap!
glare

grab
Na-gare!!
You damn bastard!!
Ugh!?
Sorry, but I am a chicken bastard!
Liar!! Looking at a cute girl like that for the entire day... what kind of chicken bastard would be able to hold back!?
Let go, I haven't do anything!
What have you done to my daughter!?
give up give up
Let Jirou go!
Right now, I can't fight back..!!
If he continued to choke me-
Ugh..!
grip grip

slide
Ko-Konoe, what are you doing here...?
Are you hurt?
whack
!!!
What? When!?
Just in case, I made some changes to Jirou's cell phone's GPS settings.
Be quiet!
And don't give me any advice!
Damn, I don't have enough strength
Wait, Konoe wait a minute-
Let's go home if you keep this up, you'll get a cold again.
tug

glare
Why did you sneak out of the house like that! Don't you understand that you're sick!?
...!
ボロボロ

Subaru, wait!
It's your turn now old man

shock
I really hate you!
Hate
Father,
That was a weak attempt You could have done better
Let's go Jirou
ゴゴゴ
rolling

If it's about when I was beaten to a pulp, I've already forgotten about it
So you can make up with him and return to the way you two were before
...No.
Crap, looks like it's up to me.
Konoe, isn't it about time that you forgave him?
Apparently he really wants to make up with you.
.....
No, that isn't what I'm saying.
I'm Jirou's butler, so until Jirou gets over his sickness, I'm not leaving.
Or are you saying that... even if you're sick, you don't want me to take care of you...?
If my attempt at taking care of you had not been satisfactory, I apologize
But I was really worried, you know?

Jirou you probably didn't know but when you passed out Kureha was crying really hard
and I unexpectedly remembered the time when my mother passed away
Then I suddenly became terrified
I keep thinking "What if that happens to Jirou?"
It feels like my heart is tearing being torn apart
Jirou ...
will you please go back to the house with me?
It seems like she isn't overre-acting.
Is this for the best?
Sure.
She really does worry about me.
This is really touch-ing.

Nii-san!
I've already decided to become stronger
Konoe cried because I caught a cold
Stand by me.
I'm so glad... I heard that you snuck out, so I was worried.
Kureha..
gasp
!
Wait, don't come here!
Eh ?

truck horn

tooom

Hmm..? Why am I sleeping here?
Oh, right. In order to save Kureha I was hit by a truck
No no! Nii-san!
Don't move him! He might have spinal damage!!
What should I do=? So much blood=
But I'm so happy it looks like she's fine
In that case, I can sleep soundly.
Good night

It's nothing to cry about

You can't! If you move, you're going to die...!

It hurts... It feels like my body is about to fall apart

Do you understand what kind of situation you're in?
Wobble
ﾌﾗ…
Wait! Don't move!
Did you not hear me?
EA?
Move.
jolt
Move out of the way.
Suzutsuki.
-!
A minor injury like this can't kill me.
I'm not dead yet.

Konoe you should go home
There is no reason for you to be worried and cry like that
Calm down and go home
Maybe this is all I can do for now

twitch
But Jirou
Relax, I promise.
There's no way I would die so easily.
Although this is over the top, and a lame attempt at being manly I guess it couldn't hurt this once.
.....!

Because if I can make her smile again-
w ping
Yes...
Of course, Master.

... Where is this?
The hospital
The nurse just came and said you could check out
Honestly, you're such an idiot, Jirou
opens eyes
But your power of recovery is really beyond this world
What kind of weird talk is that?
Hm?
Before I woke up.. what time is it now?
It's almost four in the afternoon.
Don't be too loud, she just fell asleep
Before you woke up, Ojou-sama was anxious the whole time

Although the doctor says there isn't anything seriously wrong with you we didn't know you would sleep for that long
You lazy bum
My precious golden week is over.
This... This is so cruel...
Today is May 5th
What are you talking about Jirou?
I guess I was unconscious for a whole day then
What!?
We carried you here on May 2nd so Jirou has been sleeping for three days

shock

Well... my dad seems to have come down with a cold
He might have caught it from you Although I don't really want to I should at least check on him
Oh... is that so...?
Anyway I have something else to do so I'll go ahead
Something to do?
sob

But...
I'm a little happy.
Hmm...
And it seems like Jirou doesn't want me to take care of him.
Hmm. If that is the case, maybe their relationship will return to normal
Miyo
Konoe
So I chose to believe in what you said
Back then with the state that Jirou was in you promised that you would not die.
pant
But you have to be responsible from now on.
Respon-sible?
Jirou is my important friend.
so if you break that promise...

Don't worry I will become stronger
I will not allow anything to happen that would make you sad
Oh...
I will cry again...
wiping
Hmm? What?
...And umm Jirou
step step
Eh?
Thank you very much!

Hush
When she said "don't be too loud, she just fell asleep".
That was when...
You... when did you wake up!?
Isn't this from the very beginning?
Being thanked like that I feel embarrassed
Hmm... that's so rare.
But I'm really surprised
Subaru actually said "thank you" to someone other than me.
Well, with you being in this state already, I guess there's nothing I can do
EH?

Back then in that situation you did your best to try and convince Subaru
It is a little different than your usual cowardly side
?
What are you saying...?
Oh, right, is it because I told you to move that you're a little irritated?
Correct
Being told that by a boy like you...
That was the first time it ever happened
...Suzutsuki?
Speaking of which, did your gynophobia change for the better in the end?
Did living with Subaru improve your condition?
Hmm?
Oh, if it's just a little touch, it shouldn't be a problem
Hmph, then I'll test you, Jiron-kun, and see how much of a woman's touch you can take.
EH?

You- you- you! What did you just do!?
What, you absolutely can't do it?
A minor thing like that caused your nose to bleed. It looks like our relationship as accomplices will continue.
drip drip
Don't tell me just now...
Uwaah! B-but you said your first love was Subaru!
What's with your reaction? It was just a kiss
A lie... this is all just a lie!
And that was my first time
Besides my first love and who I just kissed really aren't connected right?
Don't misunderstand. I truly do love Subaru
but a first love is just a first love
It doesn't mean that it'll continue forever

Using refined speech with an irresistible heart warming cute smile.

Suzutsuki's farting words put an end to my Golden Week

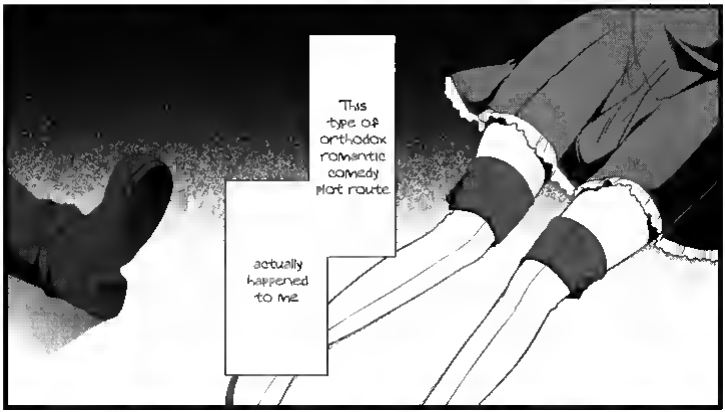
You know how cliché romantic comedy shows often develop?
This is really sudden, but let me ask you something



This type of orthodox romantic comedy plot route
actually happened to me

The only difference is
that at the time of my collision with the girl, she was not running.

But let's go back to a few minutes ago

Ch 09 Rabbit & Chicken
Kyaaaa! Move out of my way!!
She was riding a scooter ---!

Eh!!?
It's a good thing my body is tough, a normal person would have been killed-
sit up
むく
Ugh that scared me to death
jolt
ぼ?
Hmm..
Thank goodness looks like she's fine too
Is this the girl that crashed into me..!?
sigh
She's quite cute.
But looking at her closely

Soft looking, light red lips,
long eye-lashes,
long slender legs,
her feet covered by knee-high socks,
and given her uniform, it would seem that we go to the same school.

opens eyes
...!
What should I do...? I hit someone...
Don't worry about me I'm fine
Whoa!
Hey are you okay!?
Hmm what's wrong with me...?
stare
Eh?
Kyaaaaaa, a monster!! Why is he still alive!!?
Even though I accidently stepped on the gas instead of the brakes!!!
No wonder I didn't hear any braking sounds!!!
Eh?
glint

My glasses are over there!
shock

ばっ
-!!? No, no way...
What are you looking at!?
But something of mine is there...
What do you mean "something of mine"!? How could it be here!?

If you can't do it, I guess I'll have to take them myself ...
~~~!
But it's hard for me to get to them Would you mind getting them for me?
You you want me to give them to you!?
I'm talking about the thing under your skirt-
What ...!?
~~~

slam *go dk* *heart thumps* *stare*

Throwing a book!?
No!! Don't resort to violence!
Shut up, you pervert! Die! I should kick you to death!
Take off? You're misunderstanding something!

You'll step on my glasses!!
..What is this?
What did you think I wanted?
Hmm..

Who would want you to take those off!!?

That was a lie just now!

How surprising, wearing a cute pair of underwear like those.

You are...
Sakamachi Kinjiron.
Hmm?
swoosh

How could someone like you become a close friend of Subaru-sama?
Eh?
Who are you?
Why is Subaru involved again?
Hmph
You may be her brother, but you're not even in the same league
What did you kick me for!?
glare
This girl knows Kureha?
Tell me
Fine
then allow me to tell you
I am Usami.
...Rabbit?

(TN: Usami sounds like Usagi (Rabbit))

Rouran Academy, Handcrafting club Second Year...

It would seem that our school's hand-crafting club
is really unusual.

On the way to school I saw Jirou pass out in the middle of the road I was really shocked

Will you make it in time? The first class is almost over
Have you been here this whole time?

Is that so?
If Suzutsuki isn't here then that's fine
Ojou-sama is still in class
Of course not I'm really thankful
Speaking of which where is Suzutsuki?
phew

grrrr

I've been meaning to ask you..
have you been avoiding Ojou-sama on purpose recently?
That's right Ever since she kissed me last month, we haven't had the chance to talk about it at length

gulp

Why
Do you know the specifics?
Why are you suddenly talking about this...? Don't tell me it was... Otou-sama!?
I'd like to talk about my first kiss...
Why did you suddenly bring up that subject!?
surprised
If I tell her the complete scenario in detail she may pass out
Maybe I should just sum it up
blush blush
Even I was surprised then...
since it was the first time...
Yes it is as you deducted
It was so sudden and surprising
She was saying that too... So is it really true?
Of course it is!

What... seriously? Experience it again!?
Even if you say that now...
Well, all that's in the past so there really isn't anything I can do about it
If only wish I could experience it again.
She's acting weird. It's like she's arguing in self-defense

What's wrong? Didn't you say that if there was something bothering me I could consult you and get help?
I've told you everything
You should do your best and help me until the end!!
Until the end !?

Hmm...
This isn't good ...

W-why did it turn out like this!?
A perfect face, those luscious lips
colored a beautiful light pink...

I-I-I need a little mental preparation first...!
So anyway, right now...
Now what?

ぼふっ
Do I need to say it again Jirou...?
Hurry up and get it over with!
Hm!? Do what?

You are the one that wants my help!
That...

What are you doing?
You two...

No this isn't what it looks like! This is a misunderstanding!
Oh it looks like I'm interrupting something
O-Ojou-sama!?
Su-Suzutsuki
Well then see you later Konoe
I'm going back to class first
Eh? Kirou!?
No way! You can't escape!
...!?

You- move!! Don't you know I have gynophobia!?
Of course I know so this counts as treatment
I won't try to escape. so let me go.

Cosplay Café.
Hmm... like that...?
What a shame To be precise I should say

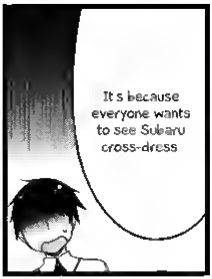
turn
Strange! she complied quickly
ぱっ
Fine. then let's talk for a bit.

I'm here to inform you of what everyone decided during the first class the theme for the culture festival
The theme for our class?
What did they decide upon?

That's right
Umm... O-jou-sama... that...
That means... I have to dress up as a girl...?
That's not a problem, right!?

Cross-dressing Cosplay Café.
Cross-dressing!?

Why me!?
If Jirou is beside her...
the fact that Subaru really is a girl won't be exposed
I'm a member of the student council so I don't have the time



It's because everyone wants to see Subaru cross-dress

Jirou... to the school culture festival...
Would you accompany me...?
Oh... Uhm... sure...

To be honest I received a love letter this morning I have to go and give the person an answer...
Love nowadays...
Well then it's almost time for the next class to begin
Jirou, you should go back to class ahead of us...
Fine... but are you two skipping class?
Although Suzutsuki is an idol to the entire male student body, her true nature is that of a wolf in sheep skin
I would feel sorry for any guy in a relationship with her
I can't really say that...
If...
I answered his confession positively...
What would you think?
...?

...Well? There isn't anything wrong with that, is there?
...I see
I'm off, Jirou
Don't be late
After I reject them, we'll return to the classroom
In the end, she's still going to reject him...
Oh... ok...
...Eh? She isn't happy?
I guess I should return to class...
Ouch
throb
Looks like I was worried about nothing

That wicked rabbit
Who's wicked?
Thinking back on it now, all of this started because I was in a collision with her
The incident from this morning. Although I wasn't injured the places where she kicked me still hurt
How many times do I have to tell you?
And it's not Rabbit (Usagi)
It's Usami
!?
Why are you here...?
Come with me, Sakamachi Kinjirou
I have something very important to tell you

Don't tell me it's a confession!
What are we doing all the way up here?
turn
You...
Please go out with me!

What !?

hmph
Anyway, I don't really understand what you mean. Could you explain yourself again...?
I would also like to tell you that this is an offer that you cannot refuse.
Actually I'd like you to pretend to be my boyfriend
for the duration of the culture festival
Also, why are we on the roof?
You can easily cause misunderstandings here.

Because this is my favorite place
No one comes up here, so I have this place all to myself
But let's not talk about that now. The reason I called you here-
Hmm?
You're being targeted by S4.
S4?
Surprised
Wait just a minute, why am I being targeted by a group like S4?
You don't know?
In fact, I'm also a member
SHOOTING STAR SUBARU-SAMA,
Shortened to S4, is a Subaru-sama fan club

There is a rumor going around that you're dating Subaru-sama.
Konoe
Jijou
...
!??
カーン
Therefore, there would be people observing you and Subaru-sama closely during the culture festival.
If the rumor is proven to be true, then the fan club will initiate a plan to erase your existence.
Wait, wait, Konoe and I are just friends, I swear!
You mean 'sex friends' ...?
Just friends? Don't tell me...
Wrong! You perverted rabbit!
You're into BL... boys love, right?
That's a misunderstanding!!
shock

Damn it, why are there rumors like those..?
Because your relationship with him is so good that you eat together all the time
That's a normal thing to do between friends
annoyed
It's not normal!
With the exception of Suzutsuki Kanade, he doesn't speak to anyone else and is only close to you!
Your relationship is very unusual.
The reason for that is quite simple actually
Due to Konoe being afraid of exposing her secret she doesn't want to get too close to other people.
And I'm the only one who knows that secret.

whoosh
This is it.
!!
Why do you have that!?
I took it two months ago without realizing it
Also I have proof right here!
flip *beep beep*
How do you explain this?
Why is Subaru-sama cross-dressing?
Is it working!?
But what should I do?
Th-this isn't good! If I keep on denying it, she may become more suspicious and start to wonder about Konoe's gender ...!!
You're the one who forced him to wear it, right?
There's absolutely no way that Subaru-sama would have a cross-dressing fetish!
.....!
Oh, right.
I was the one who made Konoe dress like that.

I LIKE GUYS!
Guh...
Calm down, please?
Oh uhm sorry,
What is this feeling? Like I lost something very important
I didn't realize how serious you were about it
But what does pretending to be your boyfriend have to do with that?
It's not that simple.
Dating a girl like me,
the rumors about you being gay will disappear, right?

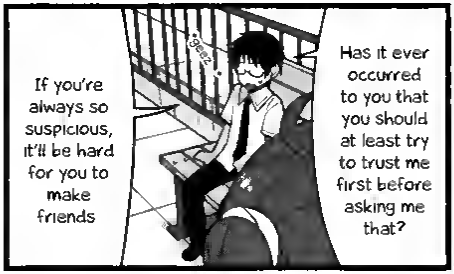
Even if it fails, I can negotiate with the top brass of S4 and it'll work
Would S4 really give up that easily?
How's that? And there is no loss on your part, right?
Even if you say all that why exactly are you helping me?
Hmm?
Oh, it's nothing I'm just in a good mood
There is something I want to know
Who are you calling a chicken bastard!?
Hmph...
How about it? Have you decided to team up with me?
Or are you a chicken bastard who's afraid to have a relationship with a girl?

heh
Then prove it to me, Sakamachi Kinjirou.
!?
I said prove it to me, you chicken bastard!
Fine, I understand! I'll pretend to be Boyfriend or whatever, you'll see!
What's the matter?
Don't tell me she already discovered the connection between my name and my nickname...!
Sakama Chikin Jirou.
smile
Hmm, then it is decided.
This will be a secret between the two of us!
Please take care of me.

Hmm, ahh...
This girl... her smile is actually quite cute.
Then, since we're lovers now-
you may call me by my name, Usami.
Usami, got it?
blush *turn*
humph
Tn. baka = idiot, dummy, stupid, chiki = chicken
I guess I'll call you Baka-chiki then
...Oh?
フル フル...
I take that back
Baka-chiki fits you perfectly, doesn't it?
She is not cute at all on the inside!

Now then, it's time for me to head back
Since we're a couple, we'll have lunch together. It'll be your treat, of course
Wicked rabbit!
Did you say something Baka-chiki?
Oh, right I have something very important to tell you
jump

TN: Usami sounds like usagi (rabbit in Japanese)



Has it ever occurred to you that you should at least try to trust me first before asking me that?
sigh
If you're always so suspicious, it'll be hard for you to make friends

Eh?
Anyway, as long as you don't lie to me, everything will be just fine
If you can do that, I'll think about trusting you

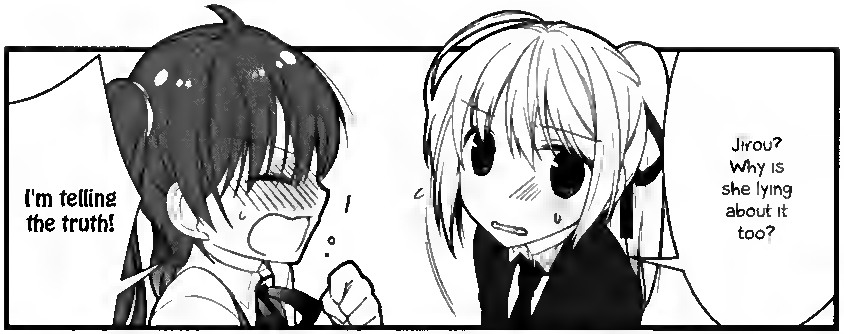
That's fine I don't have any friends to begin with
humph

Culture festival...
Eh?
and I'm supposed to pretend to be the lover of such a rabbit during the culture festival...
A natural strong distrust towards other people,
almost as if she's a rabbit in the wild

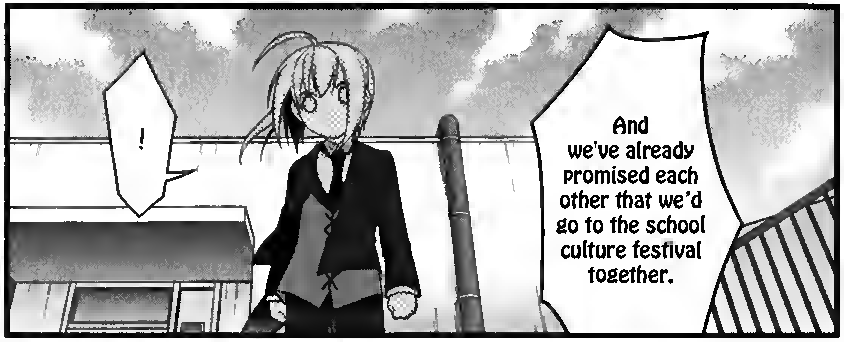
Wait, don't tell me...
We have to pretend to be lovers for the entire day of the culture festival?
?
Of course, S4 will be monitoring you closely on the day of the culture festival.
This is bad.
During the culture festival, I'm supposed to hang out with Konoe.
Jirou? What are you doing up here?
Ko Konoe? Why are you here!?
I didn't see you during our 2nd class so I became a little worried and decided to look for you.

whisper *whisper*
Uh- hey, say something!
What should I do!? It's impossible for a normal student like me to have a conversation with Subaru-sama!
Who's that girl next to you?
O-oh, Su-Subaru-sama.
hides *awah*
What are you two whispering about?
Damn it, it looks like I'll have to say it first.
You have a relationship with Subaru-sama you should tell him clearly that we're dating
How would I know what to do!?
whisper *whisper*
whisper
Let me introduce her to you
This is Usami Masamune
Um...
stare

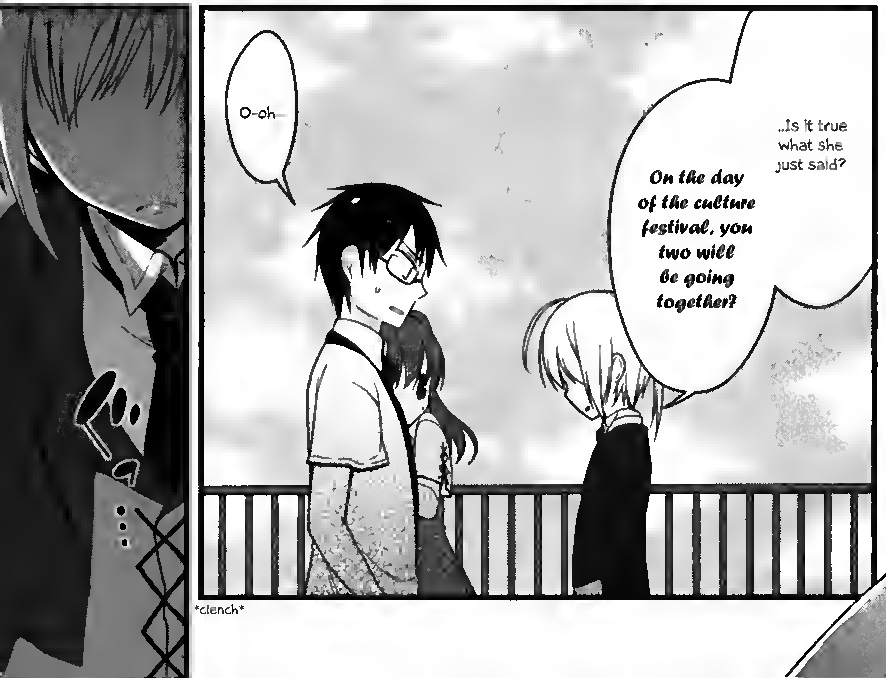
She is my girlfriend.
...Eh?
Haha. Jirou has a girlfriend? How is that possible?
Hah
It's impolite to say something like that so casually
Now then, tell me the truth.
Tell me.
Tell me what Jirou is to you.
Kyah!
What is it? Hurry up and say something!
U-
Uhm...



I'm telling the truth!
!
Jirou? Why is she lying about it too?



!
And we've already promised each other that we'd go to the school culture festival together.



O-oh...
On the day of the culture festival, you two will be going together?
..Is it true what she just said?
clench

We really are dating!
Wha...

punch
Ugh!
Jirou, you big liar!
You already promised me that we'd go to the festival together ..!!
runs
sob
Thanks to that, taking a punch like that shouldn't even phaze me.
But then why don't I feel like standing up?
my body is quite tough.
I'm fine,
Hey, Baka-chiki, are you okay?

After school
Although this may not be the best time to talk about it,
after school today, let's rehearse for our culture festival date.
Rehearse?
Here, Baka-chiki
H-hey, this is...
Why are we rehearsing in a swimsuit store?
Our class theme for the festival requires swimsuits
Theme?

Uhm, I'm going to go try them on
Wait for me
You sure picked out a lot
Swimsuit café, burning adventure
We all have to wear our own swimsuits
Fine, hurry up and get them
That's because ...
You can come in but only your head
Ugh!

Ra...
A racing swimsuit?
Hmm...
Well? Does it fit?
Hmm, it isn't bad.
It does feel a bit small though.
They were out of my size, so I guess this will do
Yes, yes
Baka-chiki?
What is it now?
Go pay for this I'll give you the money
Why do I have to buy a female swim-suit!?

I'm not in the swimming club; if I buy something like this, people may think that I have some sort of strange hobby.
You're thinking too much! I'm not in the swimming club either, in addition to not being a girl!
If you're the one buying it, they will understand.
That's a different sort of understanding!
Hmm?
It's still warm
Speaking of which, wasn't Usami wearing this just a moment ago?

Mm mm
Could it be that sniffing it isn't enough? That you plan on cooking it in a pot!?
Just how perverted do you think I am!?
Wa-wait why are you so quiet all of sudden?
Don't tell me you're sniffing it!??
No way!!
I've been spotted by the store clerk...!
Uhm... Mr. customer...?
I have to return this to Usami immediately ...!
Damn it...
Kya !?
Idiot, don't open-

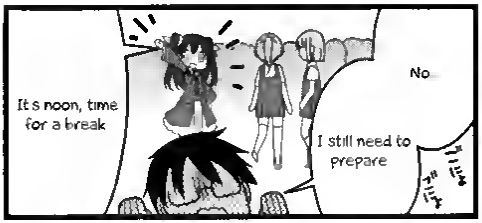
Her smooth skin and long Black stockings create a sharp contrast.
Black and white.
Then there are her cute pink panties-

—!

U-Usami...
Let's calm down and talk about this...
Gyaaaaa!
~~~~!

GYAAAA
Die! Die, Baka-chiki!
grit
~~~~

Then,
a short while later...
Do you know where to put the signs?
Oh, over there.
Thank you
gloom
Tomorrow, I'll have to wear something like this...!!
Baka-chiki~
!
Sakamachi-kun, the outfits are over here
Okay



It's noon, time for a break
No
I still need to prepare

Damn
Understood

thud

Oh...!
!

Let's go have lunch together~ Hurry up!
Usami...

Ever since that day on the roof, Konoe and I have been like this.
Humph!
Would you also like to come...?
Awk-ward...
Hey, hurry up! Baka-chiQi!
I get it
Ojou-sama, want to get some lunch?
Alright...
The tumultuous culture festival
will finally arrive tomorrow!
to be continued

Extra chapter
Two people alone in the empty classroom

Today after lunch let's meet up in the empty classroom
This is, of course, part of Jirou-kun's gynophobia treatment plan so you'd better show up
What is she up to now...?
She's definitely pl nning something disturbing.
ガラ
Suzutsuki?

Why !!??
heartbeat!!
I knew it!
Butler punch!
crush

...?
Silence....
Nyaa~? I thought I heard Nii-san's voice in here...
open
ガラ
Nii-san?
Although you could say this is a welcome situation change...
Kureha!? Why does she have to show up now of all times...?
ドキ ドキ
Ji- Jirou..
ふぁ ふぁ
ふぁ

No, this is really bad...!!!
???
Crap!
If anyone sees Konoe like this, her true gender will be exposed.
But. If this continues

Ugh...
heart racing
H-
hey!
Why would you wear that kind of outfit here?
Did Suzutsuki plan this whole thing out?
N-no, the plan that Ojou-sama told me wasn't supposed to be like this
First, we would bind Jirou with ropes, then both Ojou-sama and I would...
I get the gist of it; you don't have to continue.
Is that right...? Could you tell me what the plan was then?

It's probably a ghost
G-g-ghost!?
Ohr
Ohr
Jirou, are you okay? Your face
Ugh.. I don't know
I'm joking. Forget about it, let's hurry up and get to the clubroom, otherwise we'll miss the head bashing training.
Right, let's go

Ojou-sama
Jirou-kun appears to be enjoying himself
Is that what it looks like to you?
What happened here?
Oh-
Heh heh, what are you talking about?
So, this is all part of your evil plan...?
...Got punched by Subaru-sama who was changing clothes
How long have you been watching us!?
While you were face to face and body to body with Subaru, who's wearing a maid uniform, how did that feel?
What?
Oh, right Jirou-kun~
Well I'm out of time I'm going back to class

コミック版
おまけトークのコーナー
小説:あさのハジメ

「だっ、第二回チキチキ！　まよチキ！　コミックス版おまけトークのコーナーっ！」

「皆様、こんにちは。今回のメンバーは私立浪嵐学園二年生・涼月奏と、私の執事である近衛スバルでお送りします」

「よ、よろしくお願いしますっ」

「それにしても、スバル。さっきのタイトルコール、かなりギクシャクしてたわよ。もしかして緊張してるの？」

「うっ……申し訳ありません。正直、ボクはこういう目立つ場所は苦手で……」

「まあ、このコーナーもまだ二回目だから仕方がないと思うけど」

「……あれ？　そう言えば、紅羽ちゃんはどうしたんですか？　前回

は、ボクとジローと紅羽ちゃんの三人でしたよね？」

「……」

「お、お嬢様？　どうしてそんな気まずそうな顔をするんですか？」

「いえ、正直に言うと……紅羽ちゃんにはちょっとかわいそうなことが起こったのよ。ほら、あの子って前回のこのコーナーでかなり頑張って人気アピールしてたでしょ？」

「はい。小説版についているアンケートの人気投票の順位を上げるために……え？　お嬢様、まさか……」

「ええ。アピールも空しく、まったくと言っていいほど順位が上がらなかったそうよ」

「……」

「というわけで、紅羽ちゃんはお休みです。あまりのショックに家で寝込んでいるとか」

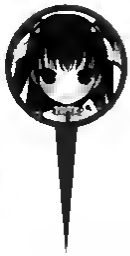
「だ、大丈夫ですよっ！　紅羽ちゃんならきっと立ち直れますっ！　そして、いつかは小説版の表紙を飾る日も来るはずですっ！」

「人気投票断トツ一位のあなたが言っても、嫌味にしか聞こえないけどね」

「……っ!?」

「ちなみに、今現在の人気投票の上位は、一位がスバル、二位が私、三位が宇佐美さん、四位がジローくん。相変わらず、私はあなたに負けてるわ」

「……」



「あら、どうしたのスバル？　そんなにぶるぶる震えちゃって。もしかして寒いの？」

「い、いえっ、別にボクはふふふふ震えてなんか……っ」

「そう。ならいいわ。さて、唐突ですがここで宣伝のお時間です。読者の皆様。もしよろしければ、小説版『まよチキ！』もお買い上げになって、どんどん人気投票に参加していただけると、私はちょっぴり幸せです」

「ボクからもお願いしますっ！　ボクに投票してくださるのはとても嬉しいのですが、ぜひお嬢様に清き一票をっ！　できれば紅羽ちゃんにもっ！」

「ふぅん。随分必死なのね」

「だっ、だって……！」

「だって？」

「い、いえっ。とにかく！　皆様人気投票にご協力を！　小説版の巻末についている二次元バーコードを使ったモバイルアンケートから投票可能ですっ！」

「キャラクター一同、読書の皆様の一票をお待ちしております」

「……あれ？　そう言えば、紅羽ちゃんがお休みな理由はわかりましたが、ジローはどうしたんですか？　ジローはそこまで順位に変動がなかったような……」

「ああ。ジローくんなら、家で寝込んでいるわ」

「え？」

「紅羽ちゃんの精神的ダメージを和らげるために、自らの身体を差し

出したのよ」

「……。お嬢様。それは、ただ紅羽ちゃんに八つ当たりでプロレス技をかけられただけなのでは……」

「はい。そんなわけで、宣伝のお時間はおしまいです。それでは皆様、また次回お会いできることを心より願っています。バイバイニャー♪」

「あっ、待ってくださいお嬢様！　ボク一人でこのコーナーを閉めるんですか!?　えっ、えっと……それでは皆様！　これからも『まよチキ！』をどうぞよろしくお願いしますっ！　バイバイニャーっ！」

祝アニメ化&コミックス2巻発売おめでとうございます!

にいと先生のかわいいスバル様にメロメロ♥
今後もいっぱい見れるのを楽しみにしております~。
自分も「まよマヨ!」にてともにがんばらせていただきます!!
